Manjaro's studing agreement.

Kennel studing feeR 4500.00.

The breeding will only be considered to happen at Manjaro kennel.
The owner of the female dog will have to travel on their own expenses to Manjaro kennel (unless otherwise agreed upon), then only on a specific pre arrange appointment.

Studing certificate are available for registering puppies to be.

* Proof of female dog's pedigree (registration) expected beforehand and breeding stud pedigree registration given for consideration.

* Breeding only done by whatever Manjaro and you agree on- set out signed and dated on this agreement.

* Stud feeto be paid upfront in full before mating take place.

* A requirement will be ... to book such a breeding in advance for a specific date or dates.

* The determination of the correct day for successful mating will be on onus of the owner of the female dog.

* Handling the mating at Manjaro's -(within and during the first day of arrival – then only at daylight hours between +- 07h00 – 1700).

Note!When for whatever reason - if unsuccessful, the owner of the female dog herewith agree it will fulfil Manjaro's studing contractual agreement obligation and no refund for stud fee will be offered.

*When needed for whatever the reason – then only if pre-arranged between both parties – safe kennel overnight accommodation and feeding **for the female dog** is offered at an additional cost of **R 70.00** per night and paid up front -then for as long as the owner of the female dog is prepared to prolong the possibility of the mating.

Again!The determination of the **correct day** for successful mating will be on the owner of the female dog.

Please note!

With any breeding Manjaro kennel then also require that Manjaro kennel then will have the right to first pick of **one pup** either a male or a female from the expected litter - in whatever order agreed.

Naming for this pup.

It will be the privilege of Manjaro's that this pup naming and registration will be on the name of Manjaro kennel e.g.

The name of the pup will be registered "Manjaro's El {name chosen by Manjaro kennel} and directly on Manjaro kennels name and address.

Manjaro kennel will make such a naming decision when the pups is 2 - 4 weeks old or as otherwise required by the owner of the female dog.

Transport expenses for this pup chosen by Manjaro's... if any ... to the account of Manjaro kennel - will then be paid by Manjaro's. This agreement thus reached will be binding, documented as signed by both parties before the breeding take place.

Please note!

* The interested breeder or handler of the female dog should **be present during the mating.**

No breeding will otherwise be done - photos will be taken as proof and given.

* It will be the interested breeder of the female dogs **responsibility to pick up the dog in question or arrange for picking up the female dog in question after the end of the set mating day as agreed upon...** and as was arranged (daylight hours - not later than 17h00).

* If the dog in question is not picked up - (**for whatever the reason**) - then within 24h from deadline after the arranged mating date or days as mutual pre agreed date or agreed period.

The female dog will then be considered abandoned by Manjaro's - you the owner of this female dog - by knowing this thereby give the right to Manjaro's to disperse of the dog in question in **any way deems fit with no compensation to the owner of the female dog.**

* The owner of the female dog **is and will be responsible to contact Manjaro kennel - stay in touch,** and this is not Manjaro's responsibility to contact the owner of the female dog.

Please note!!

Not to be disappointed!

It is mandatory that the female to be mated be fully vaccinated and tested and Vet health certified.

Health certification will be needed upfront by Manjaro's as breeder - dated and stamped from a licensed Vet and should pertinently indicate a **negative** for Babasia, Brucellosis, Mange, Herpes and a clean bill for no fleas.

* In **your** preparation period before mating (+- 4 months) it will be **your responsibility to obtain and produce a health medical Vet exam certificate mentioned above-to be handed to Manjaro's up front.**

Please see related articles on this Web-site regarding above mentioned health certifications.

"Know about Brucellosis before you breed".

Attempted treatment of Brucellosis can mask diagnostic testing readings and has been shown to be yet be another important contributing factor in the spread of this disease.

No flea infested animal will be accepted at Manjaro's.

Don't be offended (Please arrange a fresh health clearance **certification dated 5 days prior to the breeding date.**)

* Manjaro's will and have the right to contact your Vet in question or have Manjaro's Vet contact your Vet if in any doubt after seeing the dog in question or then decline my offer for breeding your dog.

* At Manjaro's we guarantee to provide the opportunity of minimum one and maximum two (if possible on the agreed date of breeding) studding's during day one (daylight hours 07h00 – 17h00)

* Manjaro's will provide photos taken of the breeding ... in the presence **of the owner or handler of the female dog or his representative.**

* Once the male has mounted the female successfully as stipulated **or** even with the female is not ready and within the full time frame given as agreed spend (07h00 – 17h00) at Manjaro's (and given the opportunity), Manjaro's duties and obligations regarding this agreement have been fulfilled – again >there are no refunds on stud fees.

*** Important to note!**

That Manjaro's cannot guarantee a litter – even if the mating was successful.

* Proof of previous litters **with the stud dog** in question **and contact information for owners of such pups fathered by this stud dog in question** will be given and normally such a stud's offspring will be seen at Manjaro kennel yard.

* Any needed overnight kennel accommodation for the female dog (for whatever the reason) then for the bitch dog to be kennelled at Manjaro's must be pre-arranged and paid for by you, the visitor – this at R70.00 per night.

* **Any other arrangements** – like keeping the female dog at Manjaro's for full term (if agreed by both parties) and dam and pups up to 6 weeks old at Manjaro's ... can be considered only on pre mutual signed agreements.

Stud owner (Manjaro's) needs to be notified by you the owner of the female dog birthing within one week after the puppies due date.
